**CREDITOR JONATHAN CARD'S MOTION TO APPEAR TELEPHONICALLY
AT THE DECEMBER 7, 2009 OMNIBUS CONFERENCE**

JONATHAN CARD, on behalf of himself and all others similarly situated ("Creditor"), by and through his undersigned counsel, hereby requests that the Court permit Creditor's counsel to appear at the December 7, 2009 Omnibus Conference Telephonically. In support of this Motion, Creditor states as follows:

1. On November 3, 2008, Creditor Card commenced a class action styled Card v. Circuit City Stores, Inc., Case Number 37-2008-00095260-CU-OE-CTL, in the Superior Court of California County of San Diego on behalf of himself and all others similarly situated. Creditor Card's Complaint seeks overtime compensation, compensation for missed meal and rest breaks, waiting time penalties and attorneys' fees under California law. The class action-styled case seeks to represent all California-based assistant managers who were employed by Debtors and who were not paid overtime compensation, or provided meal and rest breaks.

2. On January 13, 2009, Creditor Card, through his counsel, timely filed a proof of claim with claims administrator Kurtzman Carson. Creditor Card's claim is identified as claim

Matthew Righetti (SBN 121012)

*Counsel to Jonathan Card, on Behalf of
Himself and All Others Similarly Situated*

numbers 6040 and 6047.

3. Creditor submitted a timely response in opposition to Debtors' Thirty-First Objection to Claims [Docket No. 4943]. Pursuant to the Court's order entered October 16, 2009 [Docket No. 5294], Creditor's claim is among those to be addressed at the omnibus status conference scheduled for December 7, 2009.

4. Creditors' counsel is located in California State. In order to avoid the time and expense of traveling to Virginia for the omnibus status conference, Creditor respectfully requests that the Court permit Creditor's counsel to appear by telephone at the December 7, 2009 conference, rather than make a personal appearance.

Dated: December 1, 2009

Respectfully submitted,

/s/ Matthew Righetti
